

The Play

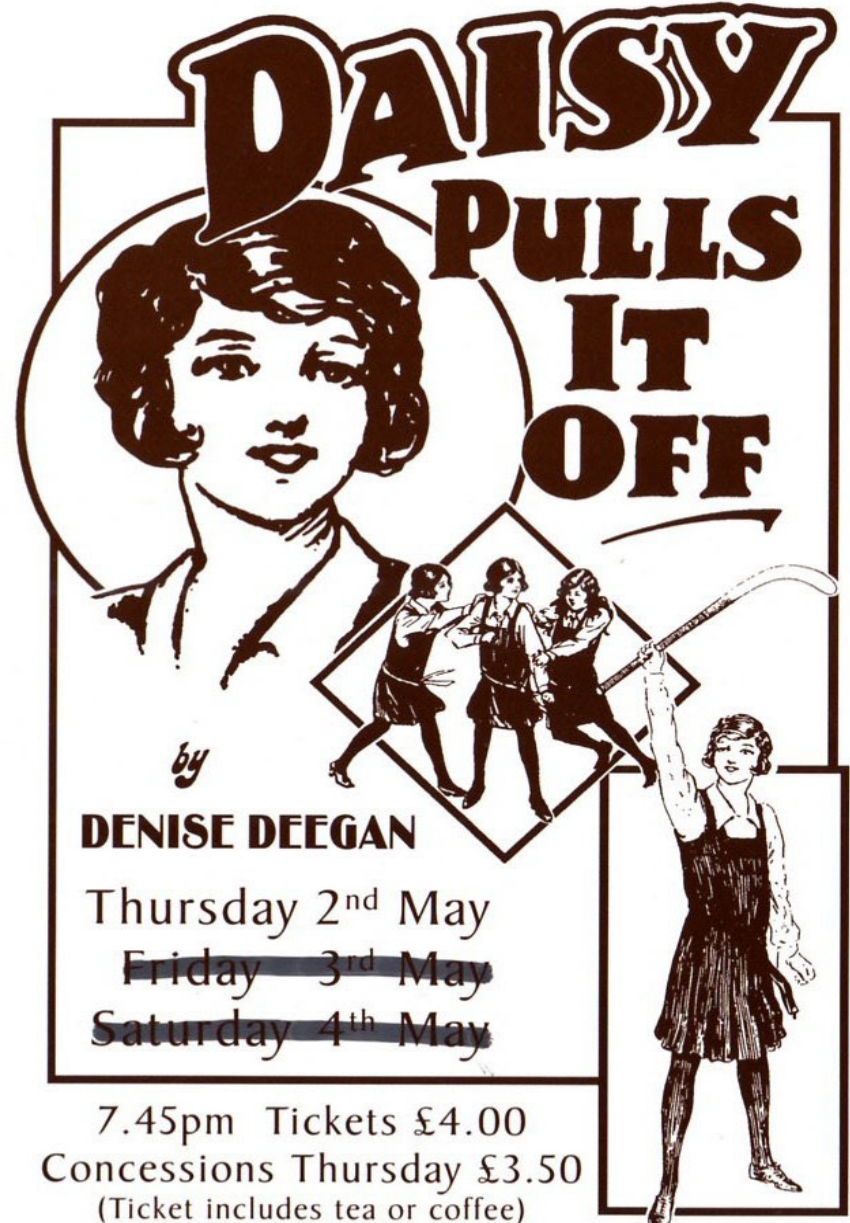

Daisy Pulls it Off engagingly captures the uncomplicated innocence of Angela Brazil's Schoolgirl novels. It is about the attempts of super achiever Daisy Merideth to submerge her snobby confines of Grangewood School for Young Ladies. Our plucky heroine undergoes a number of tribulations (including possible expulsion) before, by being honourable and straight in all things, all comes right in the end with Daisy saving the lives of the sneaky Monica and toady Sybil - her arch enemies discovering the treasure of Grangewood, scoring the winning goal at hockey and finding her long-lost father!

The Burton Joyce Players

The Players put on 2 plays and a Pantomime each year and always welcome new members. If you would like more details on membership, please contact Ian on 0163 683 0609
